Dear Mr. Smith:

This letter is in regard to your jurisdictional request of May 30, 2012, for the Redwood City Saltworks project site. This project site is the Redwood City salt production facilities and adjacent areas located north of US 101 and east of Seaport Boulevard in the City of Redwood City, San Mateo County, California. Specifically, you have withdrawn the preliminary jurisdictional determination dated February, 22, 2010, and are requesting an approved jurisdictional determination under Section 404 of the Clean Water Act (33 U.S.C. Section 1344) and Section 10 of the Rivers and Harbors Act of 1899 (33 U.S.C. Section 403).

During our review of your initial submission and subsequent submission of August 29, 2012, we have identified the need for information on the salt making activities that have occurred and are currently occurring in the Multi-Use Area Complex. Please provide this information so that we may continue to process our jurisdictional determination of the project site.

Should you have any questions regarding this matter, please call Katerina Galacatos our Regulatory Division at 415-503-6778. Please address all correspondence to the Regulatory Division and refer to the File Number at the head of this letter.

Sincerely,

Jane M. Hicks
Chief, Regulatory Division
